

# APPLE BUTTERFLIES

## WHAT YOU'LL NEED:

Apples  
Lemon juice  
Peanut butter  
Carrots  
Celery  
Raisins

## INSTRUCTIONS:

1. Slice apples into 1/4-inch semi-circle sections.
2. Cut the ends off of some of the apple sections so you have a rectangle.

3. Dip apple slices in lemon juice to prevent browning.
4. Spread thin layer of peanut butter on the rectangular piece of apple.

5. Position two semi-circular apple sections on top of the rectangular piece, angling them out so they look like wings. The peanut butter acts as a glue to hold the apple pieces.

4. Cut carrots and celery into thin two-inch sticks.
5. Place either a stick of carrot or celery in the middle between the two wings, adhering it with peanut butter.
6. Decorate the wings with raisins. You can just rest them on the apple slices, or stick them on with a dab of peanut butter.
